### Mullin Will Umpire Saturday's Game

CHICAGO, July 2.—John Mullin has been added to the umpire staff of the Western league, President O'Neil announced today. Mullin's release was bought from the International league, but he previously had worked in the Western league. The resignation of Herbert Meyers left the vacancy. Mullin will report in time to cover tomorrow's game at Omaha.

### Expelled Solon is Acquitted On Perjury Charge

DENVER, Colo., July 2.—W. W. Howland, expelled member of the Colorado house of representatives, was acquitted by a directed verdict today in his trial on a charge of perjury. Judge John Perry in the district court upheld the contention of Howland's attorneys that the alleged false statements of the defendant before a grand jury did not constitute perjury under the Colorado statutes. The Howland trial was a sequel to the "package of money" incident which attracted wide attention during the legislative session of last winter. On February 9 a package of currency was handed to Howland by a messenger while the legislator was seated at his desk in the house chamber. Howland told conflicting stories before a legislative investigating committee and the county grand jury finally declared that the money which Howland said amounted to \$12, was sent him by Dr. Mary Bates, to be paid to a woman detective. Mrs. L. H. Hartzell, a woman detective, then told that she had been employed by Dr. Bates to "shadow" an officer of the Denver juvenile court, presided over by Judge Ben B. Lindsey. A bill abolishing Judge Lindsey's court was passed by the legislature, but vetoed by Governor George A. Carlson.

### ARCHBISHOP QUIGLEY CONTINUES TO IMPROVE

ROCHESTER, N. Y., July 2.—Continued improvement in the condition of James Edward Quigley, Catholic archbishop of Chicago, who is critically ill here at the home of his brother, Chief of Police Joseph Quigley, was announced this morning. Temperature and pulse were better and the prelate's mind was clear. Physicians in attendance make no secret of the fact that they are baffled at the change which set in late yesterday afternoon, a few hours after the patient suffered a second stroke of paralysis. They regard it as either marking a chance for recovery or the forerunner of a sudden collapse. At noon the archbishop's heart action became perceptibly weaker and his temperature dropped. These symptoms were regarded as indicating the approach of a collapse, although the patient's wonderful vitality may enable him to rally again.

### Yanks in Fourth Place

NEW YORK, July 2.—New York went into fourth place today by defeating Washington, 1 to 0. New York scored its run in the sixth when Sweeney walked and was forced by Pich. With a double play in front of him, Neff tumbled on a single filled the bases. Pich hit a slow roller through the infield and when Mattel beat Neff's throw to second for a force play Pich scored. Score: NEW YORK, AB, R, O, E; WASHINGTON, AB, R, O, E. ...

### Cornhusker Captain is Straining On Life Saving Crew in West

LINCOLN, Neb., July 2.—(Special.)—Captain Dick Rutherford of the Cornhusker foot ball team, hero of a dozen hard-fought foot ball battles, is straining in a hero role this summer, but in a somewhat different atmosphere. Rutherford is conditioning himself for the foot ball practice which opens next fall as a member of the life saving crew at Long Branch, Cal. Rutherford, who is one of the most remarkable athletes the university ever developed, is an expert swimmer as well as star foot ball, basket ball, track man and wrestler. Dick went to California earlier in the summer, it is rumored, because a co-ed was spending the summer there. There was a vacancy on the life saving crew and the star Nebraska athlete was offered the place. He accepted and is getting in fine condition for the Husker gridiron crew next fall with his daily dip in the surf. The Nebraska captain had intended to spend the summer, along with some of the other foot ball men, in the harvest fields of Nebraska, but he believes he is better located and will remain there until fall.

On Sunday an eighteen-hole handicap medal play match will be played at Miller park, with sixteen to qualify for a prize donated by the club.

### EIGHTEEN MOUNTS ENTERED IN RACE

Lists Close with One More Car Than is Permitted on Track Under A. A. A. Rulings.

#### RESTA TO DRIVE BIG PEUGOT

Just eighteen cars are entered in the first annual gasoline derby which will be held at the new Omaha board speedway on July 5. Entries for the big event closed at midnight Friday night and this number are signed up. There is a chance that one or two more entries may come in in the mails, as any entry mailed before midnight is eligible. Seventeen cars only are permitted on the Omaha track under the American Automobile association ruling, so one of the eighteen will be forced out. The seventeen fastest cars, taking time made in the preliminary trials Sunday, will be allowed to start. Fear that the Porter-Knight cars would not start here was allayed somewhat when mail was received for Earl Devore, one of the drivers. The mail was forwarded from Chicago, so it is evident the Porter-Knight people gave Omaha an address. Nothing has been heard from them since the cars went back in Chicago, so it is expected that they have been repaired and will be here for the classic. F. J. McShane, director of contests, held a telephone conversation with Paul Brunak, manager of the Maxwell team, who said that his two cars would be here Saturday night ready to go on the track bright and early Sunday morning. Eddie Rickenbacher and Tom Orr pilot the Maxwells.

#### Resta is Favorite

Already speed enthusiasts in Omaha are beginning to pick their favorites. Dario Resta is, of course, the ruling favorite. Nobody has any money to offer that does not in some way call for collection if Resta wins. As a result little money is being placed on the race so far. Resta, it has been learned, will drive the big Peugeot here. He will pilot the baby, the car with an engine smaller than those placed in Fords, at Sioux City as it is plenty fast enough for the dirt track there. Entries in the Omaha race are as follows:

Driver	Car
Dario Resta	Peugeot
Eddie Rickenbacher	Maxwell
Tom Orr	Maxwell
Eddie O'Donnell	Deussenberg
Tom Alley	Deussenberg
Billy Chandler	Deussenberg
Joe Cooper	Sebring
Ralph Mulford	Mulford Special
Edwin Bergdoll	Bergdoll Special
Grover Bergdoll	Bergdoll Special
Hughie Hughes	F. R. P.
Earl Devore	F. R. P.
Charley Keene	F. R. P.
John De Palma	Delago
Tom Henning	McGraw
J. Rawlings	Ogren
H. Donaldson	Emden
E. Donaldson	Emden

#### Braves Sign Crain

The St. Louis National club has purchased catcher A. C. Crain from the Vancouver club of the Northwestern league, and the Boston National club has signed Pitcher-outfielder Crain of Brown university base ball team.
